To Whom It May Concern:

I, Ira Vincent Goldsmith objects to this settlement because not only did the defendant give this information to 10-15 employers I applied with but the information is totally false. I was never arrested, charged or convicted of a firearm-discharge with injury or death. I have contact these individuals on several occasions and I've even offered to give them the phone number to the Frank Murphy-Hall of Justice clerk office to verify this information so that my record could be cleared and this issue resolved. I even threaten a law suit but they laughed and stated that what they are doing is not against the law; but slander and defamation of character is against the law. I did plea guilty of carrying a concealed weapon on 8/6/82, which I explained to them in the copy of the letter I'm sending with this one but nothing changed. They continued to send that false information to employers everytime I applied for a position.

Seven years I've experienced torture with this issue causing my family and I **"Great Grief & Difficulty."** We had to apply for food stamps and state aide in order to survive. We had to constantly move due to our inability to pay the rent. I realize seriously within my heart that this settlement offer is no way adequate. I will plea to the court that they contact the office of Frank Murphy Hall of justice to verify the validity of the information regarding this issue. The defendant's are literally calling me a murderer and a attempted murderer, what company/employer is going to hire me after receiving false information such as this. Please don't allow them to get away with this again. You must make them aware of the accountability for their actions, such as the jobs I lost and the ones I didn't get due to the malicious lies. I should get seven years of back wages as a **"Truck Driver,"** seven years of **"Damages"** for **"Emotional Distress"** striving to resolve this issue and seven years of **"Damages"** for **"Slander and Defamation of Character."**

Thanks So Much, I truly "Appreciate" your Time and Attention to this matter.

Sincerely,

Ira Vincent Goldsmith

To Whom It May Concern:

I, Ira V. Goldsmith am submitting this statement regarding the 8-6-1982 arrest charge..firearm-discharge with injury or death . The charge never happened, I was arrested on 8-6-1982 for carrying a conceal weapon. I found a shoe box in a field where children play and I opened it up and found pieces of a shot gun. I removed the shoe box from the field and placed it in my car. I knew two officers at the third precinct in Detroit Michigan where I was intending to drop the weapon off but as I was driving from the area where the weapon was found, I was pulled over by the police. The car was searched, the weapon was found and I was charged with carrying a concealed weapon. I pleaded guilty because it was in my car and I was sentenced to two years probation.

If I had done injury or death to anyone, I would not have received such a light sentence. If you need to verify these facts contact Frank Murphy-hall of justice clerk at (313) 224-2501; case number

Ira V. Goldsmith

The following report is obtained from a commercial database that contains information from public records of various courts and law enforcement agencies across

the United States. These records are included in the report because the search criteria for matching personal identifiers such as name, date of birth, Social Security Number, etc., suggested that this record(s) matched the information you provided for the subject of the report. As such, these records might relate

to the subject you inquired about, but not necessarily. You should use this report to broaden the scope of the background search of the subject to include the jurisdictions and/or the names contained in this report. Employment decisions should not be based solely upon information contained in this report. Positive ID requires fingerprint search.
